

VIDEO SUBMISSIONS

In an effort to make this exchange as simple as possible, I would ask that you upload your videos to a private YouTube account. It is your responsibility to ensure you post it as a private video.

Please note the following:

- It is important that I have a clear view of the lesson (or ride).
- I must be able to hear the coaching of the lesson and also any discussion between coach and student.
- I should be able to see the student perform the skills.
- It is best to tape in an enclosed arena, or a fenced outdoor ring with minimal background noise.
- It is best to begin the video before the lesson starts and ensure it goes all the way to the end.
- If using a zoom function, keep the horse/rider to no larger than ¼ of the screen.
- If a group, I need to see all of the group.
- Enlist a friend who is keen to begin a videotaping career!

Thanks, Jill
